THE BREW OF OLYMPUS.

THE "HOFFMAN," corner of Hotel
and Nuuanu streets, claims to be the
"Banner" resort for gentlemen and holds the
flag. L. H. Dee, the proprietor, has
attained success in his line, by specially
superintending everything connected with his
establishment. He now introduces to his
patrons "Olympia Beer." This brew is
from the "Capital Brewing Co." of
Olympia, the capital of the State of
Washington, and was received by the
"Garonne." Mr. Schmidt, the leading
spirit of this corporation is a practical
Chemist and Brewer, and after years of
search and investigation located his plant
at Olympia, on account of the peculiar
virtues of the water of the Tum Falls, a
stream that is noted for its distinctive
qualities of clearness, coldness and lack
of mineral and decaying vegetable impurities.
Pure beer can only be made with pure
water, and Tum water is traditional in
Washington with the Indians and original
white settlers. The "Olympia Draught"
is under the special control and agency of
Mr. Dee and he invites his patrons and
friends to a personal test and is willing to
abide by their judgment on the merits of
his latest venture.

Miss I Gilbraith, and 23 on deck.

The O S S Australia sails on
April 20th at 12 m, instead of
April 18.

There were 69,460 bags of sugar
left on the Garden Isle yesterday
afternoon.

The Kauai steamer that arrived
this morning, reports fine weather
on the Garden Isle.

The Mauna Loa is due from
Kona, Kau and Maui ports tomor-
row afternoon early.

The Mikahala will sail on her
usual Kauai route at the usual
time tomorrow afternoon.

When the Mikahala sailed from
Kauai yesterday afternoon, the
Kauai was at Waimea discharging
her coal and the Waialeale was at
Hanalei.

The steamer Mokoli has com-
pleted her repairs and sailed at 2 p
m today for Kahalepalaoa and
Olowalu. The Mokoli is in first
class shape again.

Natives Will Strike.

The Pacific Mail wharf gang of
natives that has been in the habit
of doing the work of discharging
and loading the Seattle liner Gar-
ronne, had a meeting yesterday
morning and decided that they
would, upon the arrival of that
vessel in port again, strike for \$3
a day.

Lehua Is Safe.

The Wilder Steamship Co. has
received news that the Lehua is
safe. Captain Bennett got into
very rough weather with the
steamer and, in order to insure
her safety, was forced to remain
in Kalaupapa until last Tuesday.
It was not until time that the
Lehua was able to discharge the
leper settlement paia she hap-
pened to have aboard. She will
remain on the Molokai coast do-
ing her usual work for the re-
mainder of the week, returning to
Honolulu Saturday morning, just
a week late.

All kinds of stories were afloat
on the streets this morning.
Some went so far as to suppose
that the Lehua has been wrecked
on a certain dangerous rock that
is to be found along the Molokai
coast.

Orpheum Theatre.

Last night "Rapid Transit,"
Post's latest new farce, was
turned on. The characters were
filled by Miss May Ashley and
Messrs. Post, Pollard, Boyd and
Oro. James' unhappy experiences
as a transient lodger with a patent
was the axis around which all
kinds of laughter revolved. Hilo
was made the target for some hard
hits causing great merriment. The
balance of the company filled their
respective parts to the satisfaction
of the audience. Saturday, family
matinee.

Leave to Leave.

Charles I. Helm petitions for
leave to leave the Hawaiian Is-
lands, and files a bond for \$2000,
with P. R. Helm and L. L. Mc-
Candless as sureties, to appear at
the August term of the First Cir-
cuit Court and defend the action
brought against him by Thomas
W. Hobron.

AN INJUNCTION FILED.

Continued from Page 1.

That he tenders into Court the
\$5000 to be repaid to the defend-
ants upon the surrender and
cancellation by them of the docu-
ment signed by him.

That defendants had been asked
to surrender and cancel but that
they refused to do this.

Complaint prays that the de-
fendant be ordered to procure and
file with the clerk of the court,
said instrument, so signed as al-
ready set forth and that he be re-
leased from any further obliga-
tions pertaining to the land.

KAHUKU JAPANESE IN COURT.

Yamane, Oaski, Mankichi,
Ihara, Danjro and Fujimoto Nihel
appeared in the Police Court this
morning on the charge of murder
in the first degree by killing
Choo Foon Wing. The last two
were charged with accessory but
the charge was amended to read
murder in the first degree. At-
torney General Cooper, assisted
by W. O. Smith, were for the pro-
secution and A. G. M. Robertson
for the defendants. Plea was re-
served.

The first witness on the stand
was Head Luna Kiesel who tes-
tified to the trouble that led up to
the murder of the Chinese. He
testified that the Japanese were
armed. The next witness was
one of the Chinamen who was cut
in the fracas. The case is con-
tinuing this afternoon.

High Land Rentals.

The Hamakua Mill Co. has
bought the lease of 207 acres of
land between Opihila and
Paunilo, for a term of 15 years, at
the upset rental of \$1035 per an-
num.

A Chinese rice planting concern
has bought the lease of 146-100
acres at Waikiki, for 15 years from
March 5, 1900, at the upset rental
of \$60 per annum.

These sales were made at pub-
lic auction long advertised by
Land Agent Brown. Speaking of
the handsome rentals thus com-
manded Mr. Brown said he had
been told that Japanese near Hilo
were paying \$10 to \$15 rent for
a little more than an acre of rotten
pahoehoe rock. They dug holes in
every available yard of soil for
planting sugar cane, and made it
pay.
